

Sustainability Support Services (Europe) AB; (SSS)

REACH Pre-registration Submission Report from the Only Representative - SSS

Dated: 1st April' 2015.

Company: PARAMOUNT AROMACHEM (P) LTD

Note: Please note that the provision for Late Pre-Registration within REACH is available to only those manufacturing companies who have never exported below mentioned substances to Europe anytime before 1st December, 2008 in quantities > 1 tonne per annum. In case any of the information provided by the company is found incorrect at a later stage, SSS (Europe) AB will immediately deactivate the pre-registrations of such substances.

Sr. No.	Name	EC No.	Submission Number	Pre-registration number	Tonnage band	Deadline date	Pre-SIEF Status
1.	(2R-trans)-2-methyl-5-(1-methylvinyl)cyclohexan-1-one	226-872-4	TP267577-99	<u>17-2119886862-21-0000</u>	Between 10 and 100 tonnes/year	31/05/2018	Active
2.	l-p-mentha-1(6),8-dien-2-one	229-352-5	ZB267570-35	<u>17-2119886857-12-0000</u>	Between 10 and 100 tonnes/year	31/05/2018	Active
3.	(S)-2-methyl-5-(1-methylvinyl)cyclohex-2-en-1-one	218-827-2	BP267571-29	<u>17-2119886858-10-0000</u>	Between 10 and 100 tonnes/year	31/05/2018	Active
4.	carvacrol	207-889-6	AH267574-40	<u>17-2119886861-23-0000</u>	Between 10 and 100 tonnes/year	31/05/2018	Active

It is important that you communicate to all your importers covered within these substances and for the respective tonnage:

- About the appointment of the OR with contact details and details of the substance – relevant to the respective importer
- Further your Importer needs to check with the OR (SSS) if its supplier has pre-registered its imports with the OR (SSS)

- It may be also important that a copy of above information are sent to SSS
- For further communication with the OR please send the contact details (Name, Email and telephone no.) of the person deputed for REACH in your company

You may access your details on the REACH IT portal using the following:
